

ON BASE COACHES CLINIC

Improve your baseball and softball coaching skillset the Mariners way!

On BASE Kitsap County Coaches Clinic 2020
 Saturday, February 8, 2020
 9:00 p.m. – 11:00 a.m.
 North Kitsap H.S. Auditorium
 1881 NE Hostmark Street, Poulsbo, WA

Hosted by Mariners Grand Slam Camp Founder and Head Trainer, Mark Zender.

Open to all youth baseball and softball coaches seeking advice, insight, and practical tips on how to improve the playing experience of their athletes as well as their skillsets.

- Engage in an interactive Q&A session
- Learn practical techniques to implement for your team in 2020
- Understand the importance of promoting a positive team culture

“Thank you for the excellent clinic you presented to us yesterday at North Kitsap HS. I told my wife later that I wished it would have lasted for a couple more hours. You kept us all engaged and I learned so much in the two hours you were there. Ben D. - Poulsbo

Clinic Topics

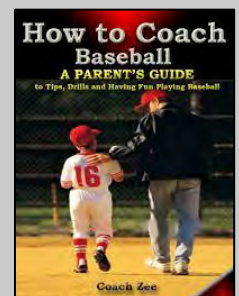

- Our role when coaching kids is to teach. This clinic shows you how.
- Getting your players to prepare and perform their very best
- Practice planning – practices made easy and highly effective
- Skill development – technique instruction and drills that work
- Parent Plan – strategies that create supportive parents

Author of the book
 How to Coach Baseball

– A parent’s guide

“I would recommend this book to every coach and parent who loves kids & baseball. Softball too for that matter. Coach Zee knows what he’s talking about. Learn from his vast experience and your kids will get better while having more fun and the W’s will be the frosting on your cake!”
