Little League SAFETY POLICY

Little League Canada is committed to maintaining a safe and fun environment for all persons involved. This includes all players, officials, spectators and volunteers.

To achieve this we must and will recognize the health and safety hazards that exist while playing Little League baseball. We will evaluate & reduce the associated risks wherever possible, and play in a manner that strives to eliminate injury to our players and damage to property or equipment.

To meet this commitment, we foster a safety culture that ensures:

- **Involvement** in a safety program that proactively identifies and corrects unsafe conditions and at-risk behaviors;
- Comprehensive **training, education and resources** from regulated sources and qualified persons.
- **Full compliance** with regulatory requirements, contractual obligations, and internal policies and procedures;
- timely and thorough **Incident investigation and reporting**;
- Adhere to our CORE values of Safety, Ethics and Teamwork. These values are a part of every decision that we make and everything we do while we are involved with Little League Canada
- All Regions & Districts shall have a safety officer as part of their board membership. It is encouraged that all Leagues have a Safety officer appointed.
 - Leagues shall follow the Safety Manual of the governing District.

National Safety Officer shall work with the Regional & District Safety Officers to review injury trends and legislation regarding sports & safety of minors in sport minimum annually.

We can succeed only if Directors, Managers, Coaches, Volunteers and Players consider themselves responsible for safety and are held accountable for the results of their efforts. Our GOAL is to ensure that we foster an environment that is safe and fun for our children and all involved.

PURPOSE

The purpose of this Safety Manual is to create awareness, through education and information, of the opportunities to provide a safer environment for kids and all participants of District 2 – Community Park Little League.

COMMITMENT TO SAFETY

Before the start of a new Little League season, each manager and coach will be directed to this Safety Manual which contains important safety and first aid information with which all volunteers should be familiar. All managers and coaches will be provided with a copy of the Community Park Little League SAFETY CODE that they must fill out and return to the Safety Officer.

LITTLE LEAGUE SAFETY MANUAL REQUIREMENTS

- Requirement 1** Have an active Safety Officer on file with your District / League.
- Requirement 2** *Distribute* a copy of a league specific safety manual to all applicable managers, coaches & appropriate individuals.
- Requirement 3** Use the Little League official Volunteer Application Form for all applicable managers, coaches and appropriate individuals.
All individuals must have a Police security check & Vulnerable Sector Police Check.
- Requirement 4** Provide and require fundamentals training, with at least one coach or manager from each team attending including any league developed Safety & First Aid Awareness training.
- Requirement 5** Require coaches/umpires to walk fields for hazards before use. (*Field check form available on LLC website- safety tab*)
- Requirement 6** Require regular inspection and replacement of equipment.
- Requirement 7** Implement prompt accident reporting and tracking procedures.
- Requirement 8** Require a first-aid kit at *each game* and *practice* for all aged teams.
- Requirement 9** ALWAYS enforce Little League rules including proper equipment.

Little League Pledge

I trust in my God,

*I love my country
And will respect its laws,*

*I will play fair
And strive to win,*

But win or lose,

I will always do my best!

League Name– Safety Manual

SAFETY OFFICER ROLE

A safety officer is an individual who looks after the safety aspects of our Province/ District/ League. They are responsible for health and safety education facilitation of members, ensuring the organization and its participant’s safety is a priority.

The safety officer develops and recommends safety measures, monitoring, anticipating & controlling hazardous & unsafe conditions; initiating & maintaining co-operation within an organization on health and safety matters.

Umpires are key members of the safety team in all areas of Little League. Safety Officers & Umpires shall communicate regularly and review potential risks frequently.

SAFETY OFFICER RESPONSIBILITIES

- Conduct an annual update and issuance of Safety Plan.
- Ensure that the Safety Manual has been reviewed by the Province/ District/ League & contains all required signatures **annually**.
- Support the safety program by facilitating all mandated safety classes.
- Ensure that all diamonds and fields have been inspected before and during playing season.
- Act immediately to resolve any safety violation once it has been brought to his/her attention.
- Make sure that all first aid kits are fully stocked and kept in the designated areas.
- Keep a log of all injury reports. (Minor & Major. *This information can be collated t& reviewed to identify areas where education & change may be required.*)
- Supply the Board of Directors, at season end, with a recap of all safety related incidents, including violence & harassment and any corrective actions taken.
- Follow up on injury reports, if necessary, by getting all pertinent information needed from managers, players and parents so insurance claims may be filled out in correct timely fashion.
- Provide a copy of this Safety Manual to the appropriate individuals including coaches and managers.
- Keep the Provincial/ District Safety Officer informed whenever a Major accident or incident occurs – this will help all leagues improve their safety program. (*this information should be reviewed on a Provincial/ National level annually*)
- Provide collated information to Provincial/ District Safety Officer.
 - *Little League Baseball Canada – Injury Tracking Report (Attachment 1)*. These reports can be sent via any means: meetings, email, fax etc.

Emergency Procedures

Emergency Phone Numbers

Emergency Number	911
Fire Department	911
Police Department	<i>[insert Ph # here]</i>
President – [insert name here]	<i>[insert Ph # here]</i>
Vice-President – [insert name here]	<i>[insert Ph # here]</i>
Safety Officer – [insert name here]	<i>[insert Ph # here]</i>

First Response to Injuries

In the event of an accident, the manager or coach shall remain calm and tend to the injured person.

League Name– Safety Manual

All players should be directed to take a knee and/or return to their respective positions to avoid crowding and to allow for proper care of an injured player.

Defining Minor & Major Injuries:

MINOR injury is something that can be treated in the location you are in.

This is very subjective & depends on the person administering first aid.

It is never wrong to treat an injury as Major if you are uncertain

MINOR injury: Examples of treatment

Use the first aid kit as needed to apply ice packs or support bandages. When treating an injury remember: RICE...

Rest, Ice, Compression, Elevation.

If **blood** is present:

- Wear barrier gloves (latex gloves) whenever possible to protect yourself and the injured person.
- Clean wounds with soap and water or an antiseptic wipe.
- Apply light pressure to stop bleeding. Apply bandages to cover the wound.

If any part of the uniform is soiled with blood, the uniform must be replaced and thoroughly cleaned prior to continued use.

MAJOR injury: Examples of treatment

If you believe a player has sustained a major injury, you must seek professional medical attention immediately.

- ***If appropriate, call 911 or take the person to the nearest hospital if you feel this is safe.***
- Stay with the injured person and provide comfort until medical attention arrives. Keep the person calm and as comfortable as possible.
- Avoid moving the player in any way unless they are in immediate danger.
- NOTE: When calling 911, be prepared to:
 - ✓ Give your name, location and a brief description of the emergency.
 - ✓ Listen carefully to the operator's requests or questions.
 - ✓ Delegate a person(s) to an appropriate location to meet and direct emergency personnel and vehicles to the injured person.

Play it Safe

Defining terms

To clarify the meaning of these guidelines, we are defining use of the terms essential to an understanding of a basic accident-prevention program in Little League Baseball.

They are as follows:

- ACCIDENT is a sudden, undesirable and unplanned occurrence often resulting in bodily injury, disability and/or property damage.
- ACCIDENT CAUSE is an unsafe condition, situation or act that may result directly in or contribute to the occurrence of an accident.
- CORRECTIVE ACTION is the positive steps or measures taken to eliminate, or at least minimize, an accident cause.
- CASE is used in the general sense, such as: accident case, injury case, claim case or insurance case.

League Name– Safety Manual

- HAZARD refers to a condition or a situation that could cause an accident.
- INJURY is the physical harm or damage often resulting from an accident.
- INSURANCE CLAIM refers to the right of a parent, as in the case of accident insurance to have eligible medical expenses resulting from an accidental injury connected with a game or scheduled practice paid by the appropriate insurance company.
- TYPE OF ACCIDENT is a phrase used to describe an unintentional, sudden incident that can be identified so effective counter measures may be taken.
- Examples are: struck by, tripped, fell, collision with, caught between, etc.
- AN UNSAFE ACT refers to unintentional human failure or lack of skill that can lead to an accident. It is one of the two general accident causes, the other being an unsafe condition.
- AN UNSAFE CONDITION is an abnormal or faulty situation or condition which may cause an accident. Its presence, particularly when an unsafe act is committed, may result in an accident.

Communicable Disease Procedures

- Bleeding must be stopped, the wound covered, and the uniform changed if there is blood on it before the athlete may continue
- Routinely use gloves to prevent any exposure when contact with blood or other body fluids is anticipated (provided in first-aid kit)
- Immediately wash hands with soap and water including any other skin surfaces if contaminated with blood
- Clean all blood contaminated surfaces and equipment
- Managers, volunteers with open wounds should refrain from all direct contact until the condition is resolved
- Follow accepted guidelines in the immediate control of bleeding and disposal when handling bloody dressings, mouth guards and other articles containing body fluids
- All players must use their own water bottles

Choosing a Medical Care Facility:

If a player needs professional medical attention, the manager or coach will:

- Defer to the emergency personnel that are present and allow them to take over care and transport the injured person to the appropriate facility.
- Consult with the player's parents (if present) for physician or hospital information, and ask if they wish to take their child to the facility of their choice.
- If no parent of the injured player is present, check the player's **medical release form** provided by the League and retained in the manager's binder.
- This MEDICAL RELEASE INFORMATION for every player MUST be with the team at all Little League events.
This includes-
 - Games, practices, pictures, team parties, etc.
 - If there is a doctor, medical clinic or hospital listed, provide this information to emergency personnel.

League Director Contact List

<u>Name</u>	<u>Position</u>	<u>Email</u>	<u>Phone Number</u>

Providing First Aid – Important Do’s and Don’ts

DO...

- Reassure and aid children/ persons who are injured, frightened or lost.
- Provide, or assist in obtaining, medical attention for those who require it.
- Know your limitations. **It's okay to ask for help.**
- Carry your first aid kit to all games and practices.
- Assist those who require medical attention – and when administering aid, Remember to
- **LOOK** for signs of injury (blood, bruises, deformity of limbs, etc.).
- **LISTEN** to the injured person describe what happened and what hurts. Before questioning, you may have to calm an anxious child.
- Gently and carefully **FEEL** the injured area for signs of swelling or grating of broken bones.
- Have your players’ Medical Information Forms with you at all games, practices and team functions.
- Arrange to have a cellular phone available during ALL games and practices.
- If the person requires their own medication and they or their guardian can administer it, assist as able.

DON'T...

- Administer any medications unless you are qualified too.
- Provide any food or beverage other than water.
- Hesitate in administering aid when needed.
- Be afraid to ask for help if you are not sure of the proper procedures (such as CPR).
- Transport injured individuals except in extreme emergencies.
- NEVER leave an unattended child at a practice or game.
- Hesitate to report any suspected safety hazard to the Safety Officer immediately.

Remember!

Safety is Everyone's Responsibility!

For the best possible player experience, we ask everyone to step up and help deliver on the goal of providing a fun, safe, and positive environment for our children.

Creating this environment requires help and participation from board members, managers, coaches, players, parents, volunteers and spectators.

CODE OF CONDUCT

Code of Conduct for Little League Canada is as follows:

- **Speed Limit 5 mph** in roadways and parking lots while attending any Little League function. Watch for small children around parked cars.
- **No Alcohol** allowed on or around: fields or common areas during any Little League games, tournaments or practices etc.
- **No SMOKING** or Tobacco products of any kind (including spit tobacco and vaping) allowed in any common areas where Little League Players are present.
- **No DRUG USE** including Cannabis allowed in any common areas where Little League Players are present
- **No Playing** in parking lots at any time.
- **No Playing** on and around lawn/maintenance equipment.
- **No Profanity allowed** in any parking lot, field, or common areas where Little League Players are present.
- **No Swinging Bats** or throwing baseballs at any time that is not part of a game or practice.
- **No throwing balls** against dugouts or against backstop.
- **No throwing rocks** and no climbing fences.
- Only a player on the field and at bat, may swing a bat (Ages 5 - 12). Or the "on Deck" batter (>12yrs of age).
- **Observe all posted signs.** Players and spectators should be alert at all times for Foul Balls and Errant Throws.

No Board Member, Manager, Coach, Player or Spectator shall:

- At any time lay a hand upon, push, shove, strike or threaten to strike an official.
- Be guilty of initiating personal verbal or physical abuse upon any official for any real or imaginary belief of a wrong decision or judgment.
- Be guilty of an objectionable demonstration of dissent at an official's decision by throwing of gloves, helmets, hats, bats, balls or any other forceful, unsportsmanlike action.
- Be guilty of using unnecessarily rough tactics in the play of a game against the body of an opposing player.
- Be guilty of a physical attack upon any board member, official manager, coach, player or spectator.
- Be guilty of the use of profane, obscene or vulgar language in any manner at any time.
- Appear on the field of play, stands or anywhere on the league complex while in an intoxicated state at any time. Intoxicated will be defined as any alcohol odor or behavior issue.

League Name– Safety Manual

- Smoke while on the playing field or in any dugout at any time. Smoking will only be permitted in designated areas, which will be at least 20 feet from dugouts.
- Speak disrespectful manner to any manager, coach, official or representative of the league.
- Be guilty of tampering or manipulation of any league rosters, schedules, draft positions or selections, official score books, rankings, financial records or procedures.
- Challenge an umpire's authority. The umpires shall have the authority and discretion during a game to penalize the offender according to the infraction up to and including removal from the game.

Expectations of Parents (In addition to above):

- Respect, be considerate of, and support the Managers and Coaches
- Remember that the Coaching staff are all volunteers and are committing a lot of their time!
- Committed to helping the players develop and have fun playing baseball.
- Remember that managers are at differing levels and will be developing their skills at varying degrees.
- Respect the umpires and refrain from negative remarks in response to umpiring decisions.
- Commit to having your kids at the diamonds on time.
- Address concerns through your Parent Rep, Manager, Division Coordinator or Division VP/President.
- Share any safety concerns with coach, i.e. unsafe playing environment/equipment.
- Take responsibility for the care and return of your child's jersey and any league equipment.
- Help your team and /or "our" league by volunteering your time.
- Support and encourage all players as they develop and compete.
- Respect the "fair play" philosophy (fair play = a relatively balanced play time for each player throughout the season.

The Board of Directors will review all infractions of the Little League Code of Conduct. Depending on the seriousness or frequency, the board may assess additional disciplinary action up to and including expulsion from the league. During game, players must remain in the dugout area in an orderly fashion at all times. After each game, each team must clean up trash in dugout and around stands. All gates to the field must remain closed at all times. After players have entered or left the playing field, gates should be closed and secured.

Although undesirable to take any disciplinary action, to maintain a safe and secure environment for our players and families, failure to comply with certain of the above guidelines could result in expulsion from the Little League field or complexes.

General Safety Code

(In addition to those in current Little League Rule book)

- Have a set plan (amongst Manger & Coaches) for any injuries or emergencies for any games or practices.
- Managers, coaches and umpires should have some awareness of First Aid.
- First Aid kits are available at all game and practice fields at all times and located in every equipment bag provided to every team.

League Name– Safety Manual

- Do not hold games or practices when weather or field conditions are poor. The District Administrator or delegate, Safety Officer (District or League) or Umpire in Chief/ head Umpire at the field will determine if a field is unplayable with discussion with Coaches.
- Prior to each game or practice, umpires and/or managers will walk the field to inspect for hazards.
- All players, managers, coaches and spectators are to remain alert and watch for batted balls, foul balls or wild throws to avoid injury during games and practices.
- Managers and coaches will check and inspect all equipment regularly for damage and proper fit.
- Do not use damaged equipment; return any damaged equipment to the Equipment Coordinator for immediate repair or replacement.
- Batters must wear approved protective helmets when batting in games or practices.
- Catcher's must wear full gear (a catcher's helmet, mask, throat protector, long model chest protector, shin guards and athletic supporter) during the game and when warming up pitchers between innings, in the bullpen or during practice.
- NEVER throw bats or helmets under ANY circumstance.
- Report all injuries within 48 hours to the Little League Safety Officer.
- ALL ADULTS ARE RESPONSIBLE FOR ENFORCING RULES AT ALL TIMES

Batting Cage Safety Rules

- No player shall have access to or enter the room that the machine is set up in without an adult present.
- Anyone entering the batting cage under any circumstance (picking up balls/batting) must always be wearing a batting helmet.
- The MAXIMUM ratio of coaches/parents to kids at any one time in or around the batting cages is 4 kids per coach/parent.
- It is recommended that:
 - A responsible adult/coach is to be the only one operating the batting machine
 - A second adult is to supervise players waiting to use the batting cage
 - Players/batters are to be instructed to always stay alert when the machine is set to pitch.

Any player/coach/parent who violates these rules may be subject to disciplinary action up to and including suspension from their League

Injury Reporting

What to report:

Report any incident involving a player, manager, coach, umpire, volunteer or spectator that leads to medical treatment and/or first aid to the Safety Officer. Generally, this is **anything that requires more than band aides**.

This includes passive treatments such as the evaluation and diagnosis of the extent of the injury or periods of rest.

When to report:

Report any such incident to the League Safety Officer within 48 hours of the occurrence. The Safety Officer will forward this information to the Provincial/ District Safety Officer.

How to report:

Person reporting the incident must complete the **Little League Baseball Canada – Injury Tracking Report (Attachment 1)** form and submit it to the Safety Officer. Include the following **minimum** information:

- Name and telephone number of the individual(s) involved, including any injured party and their parent or guardian
- The date, time and location of the incident.
- A detailed description of the incident.
- A preliminary estimation of the extent of any injuries.
- The name and telephone number of the person reporting the incident.

It is up to the discretion of the parent of the injured player as to when the player will return unless specifically indicated by a physician.

Safety Officer’s responsibilities for Injury Reporting:

To follow up with the injured party (or their parent/guardian) within 72 hours (from receiving notification of the injury) to:

- Verify the information received.
- Obtain any other information deemed necessary.
- Check on the status of the injured party.
- Advise the injured party (or their parent/guardian) of the League’s insurance coverage and the provisions for submitting any claims in the event the injury required medical treatment (such as an emergency room or doctor’s visit).

If an injury is considered **major** in nature, it is recommended the Safety Officer periodically follow up with the injured party to check on the status of their injury.

Once the individual is participating in the league again, and no other claims are expected, the Safety Officer shall consider the case “closed” and no further follow up is necessary.

Background Check Procedures

- In keeping with National Little League International requirements, all volunteers must complete and return a “**Little League Volunteer Application**” form. (Attachment 6)
- *It is recommended all volunteers that will be in attendance of Youth with minimal supervision complete a **Police Security Check & Vulnerable Sector Police Check.***
- Each volunteer must provide a copy of a government issued ID card for ID verification (driver’s license, passport).
- The League or District Safety Officer will collect completed forms.
- Anyone **refusing** to fill out a volunteer application is **ineligible** to be a league volunteer & will not be permitted to be alone with any players at any time.

Concussion Protocol- Rowan’s Law (Ontario)

Mandatory Education for all Safety Officers, League Division Directors, Managers & Coaches.

Suggested Education: for all other officers in a League, District or Region.

Little League Canada is following the high standard set by Little League International and utilizing the Centre for Disease Control (CDC) comprehensive “Heads Up” education Program.

Little League Canada Protocol:

All members mandated for Concussion training protocol shall complete the online training found at www.Littleleague.ca under the Safety tab, or <https://www.cdc.gov/HeadsUp/>

Once the course is completed you shall send a copy of your certificate of completion to one or all of the following:

- Safety Officer (for your League &/or District)
- Coach in Chief
- League President

Resources- [Appendices C – H](#)

Online Resources

- CDC Heads Up Online Program
<https://www.cdc.gov/headsup/index.html>
- Resources for concussion management are located in the appendices of this document. Or visit <https://www.cdc.gov/HeadsUp/>

You may also choose to complete the free NCCP course which can be found at <https://www.coach.ca/making-head-way-concussion-elearning-series-p153487>

Weather Conditions

Lightning

Stop any game or practice at the first sound of thunder and permanently discontinue any game or practice at the first sign of any lightning. Stay away from metal fencing (including dugouts)! Also, avoid trees, poles and other high objects. Do not hold a metal bat. Walk, don't run, to your car and wait for a decision on whether or not to continue the game or practice.

Heat

Anytime the temperature is *above 32 degrees C*, provide plenty of water, shade and rest periods during games and practices. Encourage players to drink small amounts frequently. If you observe any player exhibiting signs of heat related illness (cramps, fatigue, light-headedness, nausea, vomiting or headache), you must remove the player from the field immediately, place in shade and hydrate. If symptoms do not improve immediately, seek prompt medical aid.

Link to Guidelines: <http://pointstreaksites.com/files/uploadeddocuments/1856/HeatandHumidityDanger2.pdf>

Drinking Guidelines for Hot Day Activities

Before: Drink 8 oz. immediately before exercise

During: Drink at least 4 oz. every 20 minutes

After: Drink 16 oz. for every pound of weight lost

Dehydration signs: Fatigue, flushed skin, light-headed.

What to do: Stop exercising, get out of sun, drink

Severe signs: Muscle spasms, clumsiness, delirium

League Name– Safety Manual

Cold

Games are not played if the temperature is *5 degrees Celsius or less*.

If in doubt re: whether the fields are in playable condition, verify with whomever manages the fields.

At the start of our season the weather can be cold. Make sure players have jackets or sweaters to wear to keep their arms warm when in the dugout and properly warm up prior to taking to the field.

Rain/Mud

Playing on wet or muddy fields creates an obvious safety hazard for players. The balls become wet and muddy; the pitchers and players cannot control them. Footing is slippery on infields, particularly on the pitching mound and around the bases. Pools of water develop in outfield areas, creating muddy, unstable footing. Further use in this condition causes ruts and holes that are hazardous and place players at much higher risk for injuries. If in doubt re: whether the fields are in playable condition, verify with whomever manages the fields, that they are suitable for play, and if necessary, reschedule the game or practice.

Air Quality

Understanding Air Quality Health Index messages

The **AQHI** uses a scale to show the health risk associated with the air pollution we breathe.

The following table provides the health messages for 'at risk' individuals and the general public for each of the **AQHI** Health Risk Categories.

Health Risk	Air Quality Health Index	Health Messages	
		At Risk Population*	General Population
Low	1 - 3	Enjoy your usual outdoor activities.	Ideal air quality for outdoor activities.
Moderate	4 - 6	Consider reducing or rescheduling strenuous activities outdoors if you are experiencing symptoms.	No need to modify your usual outdoor activities unless you experience symptoms such as coughing and throat irritation.
High	7 - 10	Reduce or reschedule strenuous activities outdoors. Children and the elderly should also take it easy.	Consider reducing or rescheduling strenuous activities outdoors if you experience symptoms such as coughing and throat irritation.
Very High	Above 10	Avoid strenuous activities outdoors. Children and the elderly should also avoid outdoor physical exertion.	Reduce or reschedule strenuous activities outdoors, especially if you experience symptoms such as coughing and throat irritation.

* People with heart or breathing problems are at greater risk. Follow your doctor's usual advice about exercising and managing your condition.

<https://open.alberta.ca/interact/aqhi-canada>

Asthma & Respiratory Problems

Seek Emergency Care If A Child Experiences Any Of The Following:

Asthma Emergency Signs

- Child's wheezing or coughing does not improve after taking medicine (15-20 minutes for most asthma medications)

Asthma is different for every person.

If uncertain and a parent or caregiver is not available, Take the youth to the ER or if you are not comfortable with that call 911

Call 9-1-1 immediately, stay with the child, and Contact the child's parent/guardian!

Bites and Stings

- Stings are usually caused by bees and other bugs.
- Bites can come from cats, dogs, spiders, ants or mosquitoes.
- All of these should be evaluated and treated when a player complains of a bite or sting.
- Many individuals are highly sensitive to stings that can cause them to develop breathing difficulties and very rapidly go into shock. This condition can be life threatening if not detected and treated as soon as possible.
- It is important that coaches and managers are aware of any members on their team that have reactions to stings and that the *proper emergency equipment is available at all times*.

First Aid

Stings

If a player complains of a sting, the manager or coach should look for:

1. Swelling in the area
2. Signs of allergic reactions (if any condition exists, call 9-1-1)

- Nausea
- Severe swelling
- Breathing difficulties, including coughing and wheezing
- Bluish face, lips, fingernails
- Signs of shock
- Unconsciousness

Suggested Treatment

Bee Stings

1. Wash the area and apply a Band-Aid to cover the area.
2. For multiple stings, soak area in cool water.
3. Check for allergic reactions (if any condition exists, call 9-1-1).

League Name– Safety Manual

Ant Bites

1. Wash area thoroughly with clean water.
2. Cover the bite with very cold water to avoid swelling.
3. Watch for any signs of an allergic reaction.

Animal Bites

1. Control any bleeding that may occur.
2. Flush the area with cool clean water.
3. Cover the area with a sterile pad or clean cloth.

For Administration Official Use Only

The president/ District Administrator has reviewed & approved this plan

Name: _____ Signature: _____ Date: _____

The Safety Officer has reviewed this Plan.

Name: _____ Signature: _____ Date: _____

This plan is a living document & should be reviewed annually & updated as required

APPENDICIES

Appendix 1

[Insert Province/ District/ League Name here]

Little

League SAFETY POLICY

[Insert Province/ District/ League Name here] is committed to maintaining a safe and fun environment for all persons involved. This includes all players, officials, spectators and volunteers.

To achieve this we must and will recognize the health and safety hazards that exist while playing Little League baseball. We will evaluate & reduce the associated risks wherever possible, and play in a manner that strives to eliminate injury to our players and damage to property or equipment.

To meet this commitment, we foster a safety culture that ensures:

- **Involvement** in a safety program that proactively identifies and corrects unsafe conditions and at-risk behaviors;
- Comprehensive **training, education and resources** from regulated sources and qualified persons.
- **Full compliance** with regulatory requirements, contractual obligations, and internal policies and procedures;
- timely and thorough **Incident investigation and reporting;**
- Adhere to our CORE values of Safety, Ethics and Teamwork. These values are a part of every decision that we make and everything we do while we are involved with Little League Canada
- All Regions & Districts shall have a safety officer as part of their board membership. It is encouraged that all Leagues have a Safety officer appointed.
 - Leagues shall follow the Safety Manual of the governing District.

National Safety Officer shall work with the Regional & District Safety Officers to review injury trends and legislation regarding sports & safety of minors in sport minimum annually.

We can succeed only if Directors, Managers, Coaches, Volunteers and Players consider themselves responsible for safety and are held accountable for the results of their efforts. Our GOAL is to ensure that we foster an environment that is safe and fun for our children and all involved.

Role of the District Safety Officer:

Support all coaches and board members to ensure safety for all players, coaches and the public is a priority.

Advocate for Injury prevention with the collection of injury occurrence information Review and update relevant board members contact information and relevant Emergency contact information for the area.
