

## Coaches

1. Coaches are expected to wear a mask at all times. When introducing an activity and over 10 feet from all players/other coaches, may briefly lower their mask in order to communicate.
2. Players/Coaches should not be high-fiving or otherwise contacting one another except when actually playing.
3. Hand Sanitizer will be included with Coach's supplies (hand-washing available at Emerald Fields as well)
4. Cones, if used for drill work, should be placed and picked up by coaches not the players.

## Players

1. Teams should maintain social distancing for all drill work.
2. All gear will be placed 6 feet apart on each respective field.
3. During breaks, players will be sent to their individual area in order to ensure social distancing.
4. When waiting in line, players are to maintain social distancing at all times. It is recommended that lines be minimized to the extent possible in order to avoid close player contact while the players are waiting to play.
5. Players should wear a mask to the field. Once at their field, they can remove their individual mask. They do NOT need to wear a mask while playing.
6. Players/Coaches should NOT be high-fiving or otherwise contacting one another except when actually playing.
7. All players must bring their own water bottle and equipment. Water bottles CANNOT be shared.
8. Jerseys are NOT to be shared among players. Jerseys should be cleaned after each session.
9. Every player must have their own equipment (helmet, stick, pads). DYA has the ability to rent equipment to players if they don't have their own (boys). In the event of equipment rental, fittings will occur outside at the fields and not at the DYA office.
10. When your session is over, please exit the field of play and proceed directly to your vehicle.

## Parents

1. Parents, unless physically helping, are to be off the field.
2. Parents should always wear a mask when anywhere near the field or players.
3. If anyone observes Anything that they believe is not in accordance with guidelines and policies, immediately contact DYA Athletic Director Mike Craig, [dublinyouthathletics@gmail.com](mailto:dublinyouthathletics@gmail.com)
4. When parents are spectating, they should do the same Self Health Assessment that we are asking participants and players. If you don't feel well, please stay home.
