The coach-pitcher can throw two pitches if the batter has one or zero strikes. If the batter has two strikes, the coach pitcher is allowed one pitch. The batter is out if no contact is made on the ball on the last pitch that is a strike. If the pitch is deemed out of the strike zone by the umpire and the batter does not swing, the batter will be given only 1 additional pitch at the umpire's discretion. A final pitch that is fouled off does not count toward the pitch count and an additional pitch(es) may be thrown. EXCEPTION: If the catcher catches a foul tip of the final coach-pitcher pitch, the batter is out.

- The ball is live until the pitcher has control of the ball in the pitcher's circle. At this point, runners between bases can attempt to take the next base or must return to the previous base. If an attempt is made to throw a runner out, the runner may continue until the ball is returned to the circle.
- Coaches must pitch from the pitching rubber if it is set at 35'. If set at 40', the coach must finish the pitch with at least one foot inside or on the circle. Player designated pitcher must be to the right or left of the coach pitcher with at least one foot in the circle.

- In case of weather or other early stoppage of play. Games deemed completed will not be rescheduled and the score will be reported as defined below. A game will be deemed complete after completing 3 innings, or 2.5 innings if the home team is ahead or if 45 minutes has been played. If the home team has the lead at the time of stoppage, the score will be recorded as is even if the inning did not complete. Otherwise the score will be recorded as the score from the last completed inning. If the game is less than 3 innings and less than 45 minutes, it will be made up and will pick up where it was left off. Example: at the end of the 2nd inning, score is 4-6, home team is up. The game is then called in the middle of the top of the 3rd inning (visitors at bat), they are now up 7-6. The score goes back to the end of the completed 2nd inning 4-6.
- End of Seasons Tournaments: See rule 3 regarding pick up players. No lateral pick up players for tournament play. For tie breakers, ITB rules will be in effect.

- All age divisions must bat entire roster.
- 8U & below may play the game with no automatic out penalty if a team starts with less than 7 on the roster. 10U & above will go by USA rules. (A team must have 8 players to start a game. A team with 8 players takes an automatic out each time the 9th player should bat. 7 players or less will result in an automatic forfeit of the game and a score of 7-0 will be recorded.)
