

TOMBALL LITTLE LEAGUE REFUND POLICY – SPRING 2021

The following refund policy applies to all players who have registered at Tomball Little League. All Refund requests must be made in writing, by means of email, to Jeanne Foster, Treasurer, at treasurer@tomballlittleleague.com.

Non-COVID-19 Refund Policy

The policy is necessary to limit the number of changes once teams are drafted. Any changes after teams are formed create an undue burden on the managers and teams. All refund requests must be made PRIOR to the start of the current seasons drafts/placement on teams.

1. Families who request a refund from the league prior to their child being drafted to a team will receive a full 100% refund.
2. Families who request a refund from the league after their child is drafted to a team will receive NO REFUND without a valid medical reason.
3. Requests should be emailed to treasurer@tomballlittleleague.com with subject line: REFUND. Email should include the following information:
 - a. Players name
 - c. League age/division
 - d. Parent Name and Cell Number
 - e. Home mailing address
 - f. Medical documentation as attachment if after the conclusion of the drafts (dates published on website).
4. If you have any questions please contact Jeanne Foster at treasurer@tomballlittleleague.com.
