

2020 Age Waiver Request

Player Name

Birthdate

Requested Division

Baseball League Age (as of August 31, 2020)

Softball League Age (as of December 31, 2019)

I request a waiver for my son/daughter to be considered to play in a different division from their age appropriate division for the 2017 Spring Season.

I recognize that Spotsylvania County Little League encourages players to play in their age appropriate division and have discussed the following considerations with a representative of the Spotsylvania County Little League Board of Directors:

- Players may be at higher risk of injury when playing up a division
- Players may be discouraged by the size and/or age of teammates
- Players may have fewer opportunities to play their favorite positions as in age appropriate divisions
- Players who are not approved will remain in their age appropriate division
- Age waivers will not be accepted for the Tee Ball division

I understand that my son / daughter will be required to undergo an Age Waiver Assessment for the appropriate division and that my child must attend the assessment. If my child does not attend the requested assessment the age waiver will be denied and he / she will be placed in the age appropriate division. Further, I understand that attendance at the waiver assessment does not guarantee that the waiver will be approved.

I understand that this waiver request is for **Spring 2020 only** and does not guarantee that my son /daughter will be able to play in the requested division in future seasons.
