

Menomonee Falls Little League

Infection Prevention Plan

Menomonee Falls Little League (MFL), in coordination with Little League, has developed this plan to promote the health of all players, coaches, umpires, volunteers and spectators. The following guidelines will be used to accomplish this goal.

1. Any player, coach or volunteer who is ill should stay home and not participate. Notify your coach or appropriate Board Member if you will be absent.
2. If you, your player, or another member of your household tests positive for COVID-19, we respectfully request that you self-quarantine for two weeks and notify your coach or Player Agent so we can alert others that you may have had contact with. We will NOT divulge names or personal information, only that there was a positive test.
3. All participants and spectators are encouraged to wear masks, especially senior citizens and those with compromised immune systems or conditions that make them susceptible to infectious disease. Players are NOT REQUIRED to wear masks while playing.
4. Concession stand workers MUST wash their hands, wear gloves, and follow all safety guidelines as stated in the ASAP Plan.
5. Hand sanitizing supplies should be added to your child's bat bag for personal use while at The Complex. Coaches are encouraged to have each player sanitize before entering the dugout and at change of innings.
6. MFL will provide hand washing/sanitizing designated areas in the complex (restrooms, concessions, dugouts).
7. Social distancing will be encouraged. This includes:
 - a. Eliminating unnecessary touching during games/practices (high fives, fist bumps, handshakes, sharing personal items, eating/using seeds, etc.)
 - b. Only the up to bat, on deck and in the hole batter will be in the dugout. All other players with helmets on will be seated along the fence line. One coach in the dugout and one coach/parent with lined-up players. No bat bags will be allowed in the dugout, players will line up along the fence with their bags while wearing helmets in case of foul balls.
 - c. Spectators are expected to practice social distancing on their own. Bleachers may be used by fans if they are open.
8. Players are encouraged to use their own personal equipment and avoid sharing. Team catchers gear must be wiped down with disinfecting wipes between players. Teams will limit the number of catchers per game to two.
9. All shared equipment must be disinfected after the games. This includes scoreboard controllers and shared equipment in the team bags.
10. Home plate umpires will be positioned behind the pitcher's mound until further notice to avoid too many bodies in close proximity to one another.
11. Players, coaches, spectators and umpires will not be allowed to chew gum, chew/spit seeds or other similar items while at the Complex.
12. Coaches will need to remove any team items found and send them home with parents.

Menomonee Falls Little League reserves the right to revise these rules at any time.
