

2018-19 SPONSORSHIP LEVELS

LG Celtics Soccer Club strives to be the competitive community soccer club of choice! Based in La Grange, we started with just one team in 2008 and have organically grown to 30+ teams, 200 families and 400+ players ages 7-18! We pride ourselves on creating and fostering a culture that delivers the fundamentals of the game while preparing children for success in life! Our club motto, "Conatu Et Constantia" is at the core of our culture ... translated, it means "With Effort And Determination", anything is possible! Your donation allows us to provide financial assistance to families in need.
