This form must be submitted to the referee, field marshal, or KRSC Management prior to the guest player participating. Failure to submit prior to the game to the proper official may result in forfeit.

No player is allowed to guest play down. This is defined as playing at a lower level than their officially rostered team (for example: D1 down to D2), in a lower age group division than their officially rostered team (Ex: U11 down to U10), or in an age group they are too old to play in. Proof of information provided may be required should there be a protest.

We allow guest players because we do not want to see anyone have to forfeit a game. Please do not abuse the guest player system or it will go away.
