Big News For RYSA!

We are pleased to announce that RYSA has been approved by the IRS as a tax-exempt public charity under the Internal Revenue Code! The process has been long with many challenges along the way. We are looking forward to the future and what this new status will allow our organization to do for the youth of our community.

We would like thank the lawyers, accountants, and Board members that helped us achieve this status. And a big thank you to the parents for your patience and support throughout!

We want to hear from you! If you have any announcements, photos, or short stories that you would like to have shared in our monthly RYSA Newsletter please send your submissions to: Secretary@Ringgoldyouth.com
