

May 15, 2020

MSI Families,

**Today is our promised message regarding the process for our MSI families to choose whether they would like to receive a refund for their Spring registration fee or a credit for their Fall registration.** As well, families will be asked to consider donating some or all of those amounts. As indicated previously, MSI is offering 100% refunds (or credits) to everybody who requests that, without any administrative fee or other reduction in that amount. We hope that this helps make things just a little bit easier for so many families struggling with the Covid-19 realities of today.

**We encourage you to strongly consider taking the credit for your Fall registration. This will save MSI the significant efforts associated with processing the (potentially) thousands upon thousands of refunds,** all of which must be hand entered into the database. Credits are exponentially easier to process and have the added benefit of making sure that your child is all set for the Fall season! And, if you are unsure of anything associated with the Fall season, please know that if by any chance we are forced to cancel the Fall 2020 season, we will make similarly appropriate decisions regarding refunds and credits.

**To process your request, please go the MSI website ([www.msisoccer.org](http://www.msisoccer.org)), and click on the “Read More” link that is provided just below the “Coronavirus Update” header.** This will bring up a Google Response Form for you to complete, giving us enough information to identify your child and for you to indicate your choice regarding refunds, credits, and/or donations. We have established a deadline of Wednesday, May 27, for completion of this form, and will send reminders as we move towards that date.

Thank you, everybody, and let us all join together and look forward to a super Fall season on the soccer fields with your MSI teams!

Best Regards,

Doug Schuessler  
Executive Director, MSI

PS: Fall 2020 Registration will become available approximately June 8, and will be posted on our website, [www.msisoccer.org](http://www.msisoccer.org), at that time; we will notify you by email as well!
