

Reminder to all MSI Families!

The MSI Manna Food Drive is Saturday, October 7, and Sunday, October 8 and we are asking that EVERY MSI family make a donation. For more than two decades, MSI has conducted food drives each season and has provided tons of food to help Montgomery County families in need. We are committed to making this season's food drive our most successful one yet. We need your help so please make an effort to get 100% participation from your team.

Each family is asked to bring non-perishable canned or boxed foods in paper or plastic bags marked 'MSI FOOD DRIVE' to their playing field on game day and leave them a safe distance from the corner of the field closest to the parking lot. **IMPORTANT:** Teams that have games on BOTH days on the Food Drive weekend should bring their donations to their Saturday game.

Please note:

- Kindergarten and 1st Grade families should look for a sign at their site indicating where donations should be left OR ask the site manager.
- Families playing Classic games at Tilden Center should leave their donations at the top of the sidewalk that leads to the fields from the parking lot.
- Families of teams playing at Gaithersburg HS leave their donations at the entry gate to the stadium field where an MSI rep will pick them up at the end of the day and transport them to Manna.
- Families playing games at NorthwestBranch RP should leave their donations at the beginning of the sidewalk that leads from the parking lot to field 2.
- Families of teams playing games at the JDS/Randolph upper or lower fields should [click here](#) to see the drop off location.

For all other fields, each team listed on the schedules as the 'clean field' team on October 7 or October 8 must designate a team family to collect all of the food on your field and deliver it to MANNA Food Center. MSI volunteers will receive donations at MANNA only between 2:00-7:00 pm on

Saturday, October 7, and between 4:00-7:00 pm on Sunday, October 8.  
Please do not bring donations to the MSI office.
