

Peoria FC United Volunteer Policy

Volunteerism is the foundation of all youth organizations: from the Board of Directors all the way through to the parents. The sharing of time and resources ensures success.

Regular Season Hours

- Requirement – 2 hours in the fall and 2 hours in the spring per family

Each family is required to volunteer throughout the year to help in the successful running of the club. Areas include bathrooms, indoor facilities, winter concessions and outdoor crew, as well opportunities to help with running and planning events. You will be invited to sign up for one of these areas when you register your player(s) on the Peoria FC United website. Any family that does not sign up for a specific area during registration will be assigned where needed. Please be sure to sign up for all hours that you complete so that you get credit for the work that you do.

Consequences of not fulfilling the required commitments will be a **\$100 fee** added to your account per family per season, unless otherwise approved by the Executive Director due to extenuating circumstances. Failure to pay the fee will result in your child/children not being allowed to attend practice, participate in games, or attend tryouts until it has been paid.

Tournament Hours

- Requirement - 2 hours per family per tournament

Peoria FC United will host a fall and spring soccer tournament each year; the success of these events is dependent upon volunteers. In order to share the duties and keep workload to a manageable level, Peoria FC United will require each family to work a minimum number of hours per tournament.

Consequences of not fulfilling the required commitments will be a **\$100 fee** per assigned volunteer duty. Failure to pay the fee will result in your child/children not being allowed to attend practice, participate in games, or attend tryouts until it has been paid.
