

PARKING ATTENDANT

Check-in for your parking duty slot at the table at the front entrance of the Peoria FC United Complex right when you pull in by Field 10 (NOT Peoria FC United building entrance). Pick up a safety vest, parking map, and field map. When you check in, you will be given an assigned work location to work. Proceed to your assigned parking attendant location marked on the field map against your name.

a. **Fixed Base Stations:** include the entrance, the exit, the turnaround island on the drive down the big fields.

b. **Parking Teams:** will be assigned to the main lot by the building and initially along the drive by the big fields.

VERY IMPORTANT:

- **NO PARKING IN THE GRASS AT MOSSVILLE GRADE SCHOOL.**
- **THERE IS A MINIMUM AGE REQUIREMENT OF 16 IN ORDER TO DRIVE THE GOLF CARTS.**

Responsibilities:

- In the mornings, parking teams will direct parking in the main lot by the building to specific spots and make sure cars are parked tightly together. Once the lot is full, parking teams can circulate to locate open spots and direct cars to those locations.
- Mossville Grade School has graciously allowed our use of their off-site parking lots for overflow parking. We encourage all Peoria FC United families to park in the Mossville School parking lot first. This will allow our guests to make use of the Peoria FC United parking.
- Allow parking only in designated areas marked on the map.
- You may be required to provide handicapped assistance by giving rides in golf carts from and to soccer fields. A golf cart will be by the check-in station.
- Do not leave your spot until the next time slot attendant shows up. It is going to be a very busy tournament with lots of cars pouring in and out throughout the day.
