

Indoor Facilities

Entrance Foyer

This is the area next to the office, between the inner and outer entrance doors.

- Sweep and mop floor
- Vacuum rugs (vacuum is in the office)
- Clean all glass; doors, windows and bulletin board
- Shovel snow from steps and apply salt (if required during winter)

Inside Entrance & Bathroom Hallway

This is the area inside the main building, between the entrance doors and the concessions hatch, and the corridor leading to the bathrooms.

- Sweep and mop floor
- Vacuum rugs
- Trophy cabinets

Indoor Soccer Area & Garbage

This is the strip of floor along the side of the indoor turf. The black rubber pellets from the field do make a mess – but it doesn't have to be completely clear up to the turf. We are mainly concerned about litter and spills.

- Clear any litter
- Sweep floors, especially in and around the bleachers
- Mop as required and as time allows
- Empty ALL indoor garbage cans and relines

Cafeteria Surfaces & Windows

- Interior windows and doors in cafeteria area
- Clean down all tables, benches, chairs and surfaces
- Trophy cabinets

Cafeteria Floors & Garbage

- Sweep and mop floors
- Empty ALL indoor garbage cans and relines

Cleaning Supplies

All cleaning supplies can be found on the cart in the cleaning closet located by the boy's bathrooms. The code for the closet is 6155. Please be sure to re-lock the closet once you are done and keep the door closed whenever possible while carrying out your tasks.

There are brooms, mops, toilet paper, rolls of hand towels, glass cleaner, toilet cleaner, spray disinfectant, floor cleaner and latex gloves.

The keys for the paper towel dispensers and toilet roll dispenser are on the cart.

If cleaning supplies have run out or are low, please ask the office staff for replacements or email the volunteer account via the signup genius.
