

NOTES: The purpose of this diagram is to show how to organize social distancing for coaches, players and spectators. Spectator seating and team areas should be a minimum of 10 feet from the touchlines and goal lines. We recommend cones or painted dots on the ground to designate the player, coach or spectator area. All households should be seated a minimum of 6 feet from another household. We recommend the cones or painted dots be a minimum of 10 feet from each other. Indiana Soccer requires all players, coaches, referees and spectators to wear face coverings when moving about the facility, i.e. from their car to the field. Once they get to their area at the field, and can stay a minimum of 6 feet from others, they may remove their covering. KEY: Red - Team A Players; Blue - Team B Players; Light Blue - Coaches/Managers; Yellow - Referee(s); Purple - Team A Spectators; Pink - Team B Spectators
