

Miami Youth Soccer Organization is a non-profit dedicated to healthy lifestyles through the promotion and development of youth soccer in northeast Miami-Dade County. Founded in 1996 by former Brazilian professional player João Moraes (also known as Betao), Brazilian Soccer Training Center (BSTC) is the service provider for Miami Youth Soccer Organization.

BSTC treasures our Corporate and Private Individual Sponsors, for without their assistance it would not be possible for MANY of the boys and girls to play soccer.
