

Good Morning NRU O40,

After careful consideration of current local and national guidelines to reduce the spread of COVID19, NRU has decided that we do not expect to be able to host our Over 40 League due to the Governor's order to stay at home through early June. Our hope was to play this particular league in the Summer months and potentially this may still become an option. However, we did not want to have you, our members, waiting indefinitely for a decision, and as such, we have decided to deliver these options at this time. This decision was not made lightly but due to the potential absence of available facilities and concern for the safety and well-being of our Members we will begin to process registration cancellations for the 2020 Spring Over 40 Adult League season.

As a registered member of this league we would like to provide you with three options to invest your initial fee of \$90.

Option 1 "Donate to NRU": If you are able to make a tax-deductible donation of your registration fee to NRU, we will ensure that these funds are used to support the recovery and growth of NRU in the coming year. As you can imagine, these economic times have placed a financial burden on our Club that was not anticipated. While we have prepared for some contingencies, the ongoing support of our Membership through charitable contributions will be a key in our ability to provide future programming. Thank you for considering this option.

Option 2 "Transfer": If you plan to participate in our next available Over 40 Adult League we would be happy to carry over the \$80 as credit to your next registration. (Note: The remaining \$10 was spent to cover administrative fees that were incurred at the beginning of the season and are not recoverable.)

Option 3 "Refund": In these challenging economic times we are looking for ways to refund unused payments to our members. In the case of the Over 40 Adult League we are able to refund you \$80 from your original payment. (Note: The remaining \$10 was spent to cover administrative fees that were incurred at the beginning of the season and are not recoverable.) If a refund is requested we will be issuing the funds in the next couple weeks.

In order to proceed we ask that you complete [this Over 40 League survey](#) to notify us of your cancellation selection no later than April 17th.

We are all disappointed that we will not be able to hold an Over 40 Spring season but we are thankful for the health and safety of our membership. We look forward to seeing you on the pitch in the near future!

Should things change in the short to medium term, we will inform you of any potential decision to offer this league before the fall. We know and believe the future will be a bright one and thank you as always for your patience, love, and support for the club as we have worked through this process!

Health and Safety to all!

Let's Go NRU!

Sincerely,
Leslie
