

## WESTARM Concussion Baseline Testing

WESTARM is offering **FREE** concussion baseline testing to all flyers players and cheerleaders. This particular test involves balance screening. We recommend that athletes do not perform any vigorous activity before testing. Testing lasts about 3-5 min and will give baseline values that we can compare to in the event of a concussion to help the physician with the return to play decision. If you have any questions please feel free to contact our office at (724) 335-5526.

**Day: Friday, July 20th.**

**Time: 5PM with 15 times lots thereafter**

**Location: Lower Burrell Flyers Field Board Room**

**Age: All ages**

**Click to sign up your child:**
