Important Information:

1. Volunteer positions need filled for each home game. If you have not signed up for your three volunteer activities, please check the sign-up sheets at the concession stand. Below are a few of important but empty volunteer spots:
 - a. Gate – collecting money
 - b. Parking
 - c. Announcing
2. We only have four home games, we need parents and family members to help when their child is not playing or cheering. Every little bit helps and is appreciated.
3. We are also looking for new families to help learn some of the important aspects of the organization. If you are interested in learning, please stop by the board room. Many of our board members will be moving on this year or next, with their children.
4. We are in need of parents who can help with field maintenance. A couple people helping a few hours a week allows for the fields to be ready for practices and games. This includes grass cutting, lining the fields, weed eating, etc – please see Chad Clark for more information.

Contact Information

It is IMPERATIVE that each family makes sure you have the correct email address and cell phone number on our website. We can only go by what is entered into the site, so to avoid missing important notices be sure we have the right info. It is a good idea for Team Parents to keep a contact list as well, but that is up to you. Update any necessary information THIS WEEK.

Questions?

You will find a Board Member in our Board Room during all practices. We make an effort to be sure someone is there at all times. If you have questions about anything, please feel free to stop by.
