Question: Why Should You Sponsor the Uxbridge Youth Soccer League?

The Answers are Simple....

Your company is promoted as a supporter of positive youth development activities in our local community.

There is high visibility for your business's signage: an estimated 10,000 individuals are on the Sutton Street and Lower McCloskey Fields each year. Think about the reach – *players, coaches, immediate and extended families, visiting teams and their families* – throughout Worcester County.

Your logo will also have significant exposure through our promotion and communication efforts. From apparel to promotional items to fundraising materials, we will work together to highlight your support and spotlight your business. We welcome your ideas to enhance your brand.

Our social media presence has grown dramatically over the past two years and your logo is seen each time we communicate with over 300+ soccer families and our enormous reach on social media.

As we continue to grow our community-based programs – Summer Camp, Fall Fling, Cornhole Tournament, Annual Sponsor Reception, New England Revolution skills clinics and trainings for players and coaches – the benefits of sponsorship grow simultaneously.

Thank you. Join us today.

2019 Accomplishments Uxbridge Youth Soccer League

Thank you for your interest in Uxbridge Youth Soccer League (UYSL). Your sponsorship dollars, combined with those of other community businesses, will continue to build a valuable youth development initiative for children in Uxbridge. We are proud of our 2019 results:

- **Over 300 children played soccer in Uxbridge each season (Spring and Fall), building athletic and sportsmanship skills while making new friends.**
- **UYSL is proud to partner with the New England Revolution Academy – a premiere soccer club – to develop players and coaches through player, team and coaches training (totaling over 60 hours throughout the year).**
- **Over 3,000 hours were donated by adults in our community to ensure the success of the Uxbridge Youth Soccer League.**
- **Over 50 teens in our community from the Boys and Girls Scouts, Uxbridge High School athletic teams and Our Lady of the Valley's National Junior Honor Society donated their time and talent to UYSL programs and events.**
- **We are particularly proud of the work taken on this year to construct the Sutton Street Pavilion, raising additional dollars beyond sponsorship support.**

THANK YOU!
