SAVANNAH UNITED ELITE SOCCER CAMP RETURN SHEET

ELITE CAMP

Camp Director Gary Wright is holding the twelfth annual Elite Camp whose coaching staff would be the envy of all the top college camps in the country (please see staff profiles). The Elite Camp will run July 11th through 15th, 2016 with an itinerary designed to improve skills and get the best out of each player.

Since the first Elite Camp in Savannah, July 11-15, 2005, there were over 90 high level players that attended the week-long camp, some coming from as far as Singapore! The camp has been a huge success. I am sure this year will be no different! The Elite Camp will have a tremendous coaching staff again this summer that will challenge every player.

CAMP DIRECTOR

Gary Wright

Gary started his soccer career at a very early age and like all English boys, dreamed of becoming a professional football player. His dream was realized when he was fortunate enough to be offered a contract at age 16 with the English professional club Torquay United, under the then and former Scottish World Cup captain Bruce Rioch.

After a successful playing career with Torquay Utd. and Yeovil Town, Gary turned to coaching and took his first coaching steps by obtaining the English Football Association Preliminary badge. In 1995/96 Gary was offered the youth coaching job with Premier Swedish Club Vastra Frolunda. After a very successful spell at Vastra Frolunda, which included winning the Gothia Cup (World Youth Cup), Gary was offered the Head Coaching position at Swedish Division 1 Club Skovde A.I.K. He guided Skovde A.I.K. to second in the division and the fourth round of the Swedish National Cup.

Gary has guided club teams to State Finals, Division Championships, numerous tournament wins and even an appearance in a National Championship (Nike Club). He has also worked as a coach to some of Savannah's high school teams and was instrumental in laying down the foundation for their success. Gary is currently the Club Executive Director for Savannah United, on the ODP staff for the State of Georgia, and holds the USSF 'A' licensed coaching qualification.

MESSAGE FROM THE DIRECTOR

"The goal for our camps is for all ages and levels of players to come and enjoy themselves while working hard on their soccer skills. If our participants take something away from the camp, whether it be a new-found confidence or a new skill to beat an opponent, then the camp has been a success!

This is why the Professional Coaching Staff is chosen carefully as to enable different coaching methods and skills to be taught along with different personalities for the development and enjoyment of the player.
