

Hamilton North Futbol Club Scholarship Program

This program is designed to assist parents or guardians of Hamilton North Futbol Club players who need financial assistance paying registration fees. HNFC desires to provide opportunities for all HNFC participants in the Hamilton-Tipton County area to fully develop their soccer skills, including financially burdened families. A commitment from the club to assist brings with it a commitment from the parents or guardians of the player as well.

The Scholarship Program presents various options or opportunities to help with registration fees. The program is designed to assist with registration fees only and one player only. If more than one player is from the same family, a separate form must be submitted. It will not cover any apparel, tournament fees, or additional costs not associated with registration.

The following steps lay out the payment options available.

STEPS FOR CONSIDERATION:

1. Print Scholarship Request Form from www.hamiltonnorthfc.com
2. Requests must be made by the player's responsible party to their coach.
3. The coach will discuss the scholarship options (listed below) with the responsible party.
4. The coach will bring the request before the HNFC Board with option suggested.
5. The HNFC Board will approve or reject the scholarship request within 7 days of request.
6. The coach will discuss the Board's decision with the responsible party.
7. If the scholarship request is approved, and once the player's responsible party has fulfilled the agreed upon arrangement, the registration fee will be considered fulfilled. The player is then eligible for league play.

SCHOLARSHIP OPTIONS:

1. Members may set up a payment schedule with the HNFC treasurer to pay the reduced rate based on the level of play. For Travel and Rec Plus the Scholarship fee is \$70. For In-house Rec the Scholarship fee is \$55.
2. Members may locate a business or individual sponsor willing to contribute a tax-deductible minimum donation of \$150 per season or \$300 per year towards a player's participation. This donation must be made payable to HNFC.
3. Scholarships may also be achieved through individual fundraisers designed to help with fees not affiliated with HNFC.
4. Responsible parties may also donate 15 hours of volunteer service to HNFC. These services may vary based upon the needs of the club.

The term for this program will be one season, Fall or Spring. Each seasonal eligibility will be evaluated by the Board submitted by the coach of that player's team.
