- B. Softball-** scoreboard at HS needs to be moved to park diamond. Need lights to be fixed and bulbs replaced. Needs some catchers' gear and helmets. Needs ~\$1000 for softball. **Motion to approve \$1000 for Nicole for softball. Maggie 2nds.**

Spoke with Beth Curl to run concessions after school year ends to replace Micki Hunt until softball/baseball seasons are finished.

C. Soccer-

Update on season: new goals are up and are super nice. Thanks to Andy Stites for working on goals. Took some time to build. Soccer committee: Andy and Jenny Stites, David Cristman, Kristy Sutherland, and Jake Koepkey. U6 games

tonight and other games on Saturday. All went well. Pictures are on Monday.

By Next fall would like to purchase 2 full size goals to be used by both high school and future u13 and older teams. Per Jake, we have a contact who is willing to weld a new goal at a discounted price- not sure as of now on exact price, but decent full size goals run around \$3-4000. I'm sure it would be much cheaper than that for him to build one. Would like to get \$2500 allowance and if it less, all the better.

15 new size 3 balls at \$8 each = \$120

Allocating up to \$4000 for soccer to replace goals and purchase balls. Motion by Jake to approve up to \$4000. Maggie 2nds. Motion passes.

D. Tennis-

Bleachers - 1114\$ X2. Scorekeepers -90\$. Leaf blower- 208\$ Crack fillers- 100\$ tennis ball for the year -200\$.

Season should have started in March. Courts look good. Ready for season to start.

Allocating up to \$2500 for bleachers and then approve all other items identified. Jake makes motion, Nicole 2nds. Passes.

E. Cheer-

Insurance for tumbling for two teams:

Grades 4/5th team of ? girls (this yr. 12 girls) + coach tumbling online certification (1-2coaches) Grade 6 team of ? Girls (this year team did not exist)+ coach tumbling online certification (1-2coaches) price??? (Link):

Tumbling mats \$120 each x 2 sets for 4/5 team and 2 sets for grade 6 team=
Total of \$480

Allocating up to \$1,500 for cheerleading mats and tumbling training. Jake makes motion, Maggie 2nds. Passes.

F. Football-

G. Basketball-

2 Bison 6-in-1 adjustable basketball goals. These could be used to convert the main baskets in any of the three school gyms to K-1 or 2-3 appropriate heights.

Borrowed comparable goals to use when hosting the basketball league this year and they worked great. Would increase gym flexibility and borrowing goals is not a long term solution.

527.95 each on Amazon
