

In order to protect the youth of Murrieta Valley Pony Baseball (MVPB) all parent volunteers will need to have a background check completed. This is for any parent who wishes to work on the field with any child other than their own. This includes all Managers, Coaches, Part-time (Practice only) Coaches and Team Parents. MVPB uses JDP an nationally recognized company who is PONY National's preferred vendor. MVPB will pick up the cost of the background check and all results will be strictly confidential with the Safety/Security Compliance Officer and the MVPB Board President as the only two individuals with access. If there is a discrepancy in the background check, the Safety/Security Compliance Officer will contact the individual and discuss the discrepancy and if needed an independent blind panel consisting of no more than 5 board members will make the final decision. Blind Panel meaning at the request of the individual in question his or her identity will be kept confidential. This background check is a requirement regardless of your current employment status. MVPB has multiple first responders and community leaders in its membership and requires the background for them as well.
