

Team Sponsorship Expense Reimbursement Program

For MVPB teams that acquire any additional sponsorships over the required full sponsor (\$300), up to 2/3 of the donation is reimbursable to the team for baseball related expenses. These expenses include any additions to the team uniforms or practice wear, equipment, training such as batting cages or agility, or game tickets for players & coaches for educational purposes. Please note, team parties are **not** included as an approved team expense.

All expenses are subject to Board Approval. Please be sure your purchases are reimbursable. If you have any questions, please contact your Division Director or write to Sponsorships@mvpb.org.

Teams may be reimbursed by submitting receipts along with this form to the MVPB Board of Directors.
