- Adjusting, as needed, to accommodate the uniqueness of the players of each team.
- We want the uniforms to be **roomy** so that players can add layers as the weather cools off.
 - And your player will grow over the season!
- Parents work together to adjust sizes, if needed!
- WCSC does not inventory or re-order any extra sizes!
 - Coaches & parents should work together to achieve the best fit for the team.

Modifications: Names on the back of jerseys or other modifications including hemming, adding patches, etc. are at the discretion/expense of the parents & players.

- Coaches should discuss with parents before committing to any expense.
