

Coventry Little League will be hosting a softball clinic.

When: Sunday May 6 2018 3pm-5pm

Where: Wampler Field 1

Who: All Softball Players and Coaches

The Clinic will be hosted by former Coventry Softball Coaches Don Feltenberger and Steve Winnick The clinic was very successful last year in its first year and we have decided to bring it back for a second year.

Don, Steve and their coaching staff have many years of softball coaching experience at very high levels. We are very grateful to them for giving back to our league. There is no need to RSVP, but all players are encouraged to attend.
