

**General Meeting  
November 4, 2016**

Members present: Christine Berry, Nathan Schofield, Jim Loonie, Don Mitchell, Charlene Riley, George Umbrianna, Gary Mitchell, Doug York (also present in October please note), Jim Frazier, Rob Bodendorf

Meeting begins at 7:07 p.m.

Treasurers report: Fall has ended George will have funds report for the December meeting. George will update the CD passbooks from October thru September 30<sup>th</sup>. Our tax information will be forwarded to our tax preparer to be filed.

Registrar: There is not a U10 numbers file available on line for parents to check. Other travel numbers are up. U18 registration will be available to see if we need to run tryouts. Katie is working on the cori's to make sure everyone is current, including the assistant coaches. We need to have a policy to follow regarding players that only want to only play dome. Christine to send an email to have parents accept and pay for the travel season. December 1<sup>st</sup> preliminary rosters to be submitted to South Shore Soccer League. Still talk of switching over to the Infinity system. We will wait a year to see how it works for SSSL first. Next SSSL meeting mandatory for the registrars.

The dome sessions are underway. We will be starting our Saturday morning clinics Saturday the 12<sup>th</sup>. Ed Meaney to run the first 4 weeks followed by NEFC the next 4 and lastly LFC the 4 after that. Spoke of the limited practice times available at the dome. Coaches will keep asking.

The Pasta Dinner was sold out again this year. We will look for a bigger venue for next year. We should book ASAP and look into being able to pay for it on line.

The medallion hunt worked well with the Remind Me app. If we choose to do this next year we need to start earlier.

Website is updated and minutes are posted.

Rob reported on the sprinkler systems at the fields. Lysco, the company that has done all the fixes over the summer gave a price of \$720 to blow out the system. Previous company was \$350. Rob will speak to the company to see why its so high.

The rest of the nets will be broken down on the 5<sup>th</sup>. There is new seed planted on the U12 fields. Machines will be serviced though out the winter.

Kevin Hennessey & Manny have done a fantastic job on the new parking lot. Project still underway. No information from the town about tearing down the playground.

Nominations for the new board will be taken this month. Anyone interested in running needs to get nominated.

Meeting concluded 8:15
