

Bridgewater Youth Soccer Association  
General Meeting May 5, 2017

Meeting called to order at 7:06 pm.

**Members present:** Christine Berry, Deb Perry, Don Mitchell, Dan Bassett, Jim Loonie, Katie McInnis and Bryan Berry

**Secretary's Report:** Todd Davis was not present. Meeting minutes for April are posted.

**Treasurer's report:** Spring Instructional will be ending and numbers will be available at the next general meeting. We spoke about the need of a new fridge, we will discuss numbers at the next board meeting. Christine made sure everyone that may be making purchases on behalf of BYSA knows we are a 501 © 3 tax exempt association.

**Registrar's Report:** Stephanie Coleman was not present. Bryan Berry said there were some add on's to the U12C team.

**Challenge Cup:** 21 days from today. There are 69 teams registered, with registration closing on Thursday. There is a poor showing of teams from Bridgewater this year, 5 in total. Christine has been sending out emails for volunteers. Bryan and Ron Barron will work on scheduling teams and getting enough to round out some of the brackets. Christine has ordered patches for the Challenge Cup for players gifts and also BYSA patches for the U10's and under.

**Web:** Dan Cooley was not present. The web is staying up to date with information flowing to Dan.

**Fields:** Don gave a report on the fields. Field 4, all the brush was cut away by Scapeway for \$500. Excellent price since they did much farther into the woods then quoted. Gypsy moth's will be bad this year. Got a quote of \$1500 to spray the tree's and the area. We feel at this time that is to high and might not be effective. Bryan sent an email to the gentleman that has been doing all the work on the new parking lot to see where we are on that. We have confirmed the back parking lot for the BCC. We will be filling in the pathway to the back lot as there are many area's in need.

**South Shore Soccer League:** Bryan was at the meeting this month. They went over the number of cards each town is receiving and asking the presidents to be mindful of their own towns numbers. Bridgewater was one of the lowest.

**Spring Instructional:** Deb was there and all is well with the Spring program.

**Upcoming meetings:** May 16<sup>th</sup> is the next board meeting  
June 2<sup>nd</sup> is the next general meeting

motion to adjourn made by Christine Berry  
2<sup>nd</sup> by Deb Perry  
All in favor

respectfully submitted by:  
Christine Berry, BYSA Treasurer
