**Registrar Report: (Deb)**

Nobody is able to access their rosters. Right now rosters are being PDF'd and sent out to coaches. Still missing pictures from two teams.

**Spring Instructional: (Marianne)**

Registration closes on Sunday. 185 players registered as of today.

**Challenge Cup: (Christine)**

Sign up genius has been sent out for volunteers. The program book will be ready to go to the printer in the next few weeks. All Bridgewater travel teams are encouraged to have their teams participate and combine with others in their division if they do not have enough players to fill a roster.

**Web Update:**

Website up to date.

**Fields and Equipment: (Dan & Don)**

Snow is expected next week, so fields will remain closed for another week. Asphalt is in the second parking lot and actively being worked on. The fields have been marked and lined. All goals are off to the sides. Fertilization will be done this week and water will be turned on next week.

**South Shore League: (Jim)**

Reminder to make sure your games are still scheduled for the coming week due to many fields being closed, including East Bridgewater.

**Spring Travel:**

Discussion around navigating the app and how to record scores.

## **New Business**

A request was made from a BYSA volunteer to plant flowers by the entrance at the fields. All agreed that was a great idea and gesture.

BYSA received an inquiry regarding when the announcement sign at the fields would be fixed; ETA is not available as of this meeting date.

There have been numerous requests for the American flag to be flown at the fields. The flagpole key has been identified after missing last season.
