## We Need You!

We rely exclusively on parents and volunteers to become coaches. Without coaches, we cannot continue to offer our programs to the children of Bridgewater. In the event we do not have enough coaches, we will have to create larger teams with less instruction for players. We are reaching out to partner with a club to help guide these sessions so volunteers will have support. To ensure your child has the opportunity to participate in this program, please consider becoming involved as a coach or assistant coach. You can sign up as a coach online when you register your child.
