

KSL Coaches' Code of Conduct

As a Team Coach, you (through your actions and words) set the example for your players, parents/guardians, and spectators. You set the tone and lead by example.

- Read the players, spectators, and parents Code. Understand what is being asked of all participants in your sport. Actively promote these Codes.
- Coaches must place the well-being and safety of each player above all other considerations, including the development of performance.
- Ensure that each player is correctly dressed with the necessary safety equipment (helmet, mouthpiece, pads, etc.) before being allowed to play.
- Get treatment for an injured player immediately. Cooperate fully with medical personnel in the best interest of the player.
- Never physically or mentally push children beyond their abilities. The game is of minor consideration when compared to the child's future health and wellbeing.
- Encourage and guide players to accept responsibility for their own behavior and performance. Never condone unacceptable behavior.
- Accept the decisions of the referees on the field as being fair and called to the best ability of said referees. The referees are in charge of all games; their decision is final.
- Always be prompt, courteous, and direct when dealing with League Officials, opposition Coaches, Referees and Parents.
- Abstain from being under the influence of or in possession of and/or drinking alcoholic beverages and the possession or use of any illegal substance during the game or practices and at any other events such as birthday or team parties.
