

Hi Coaches,

We received good news today from the governor today! We are all excited to be able to get back and play baseball again but still have to wait and see what the requirements will be for return to play. There is another press conference tomorrow at 2pm to address some of those topics. We are meeting as commissioners tomorrow and putting a final plan together for the 2020 NWAABL season!

Points that we know right now:

- Waiver will be required for all players to participate
- Another scheduling meeting will happen
- Teams will get practice time before games start
- League games will run into late July

We will send out another communication by Saturday at 5pm with the details on the upcoming season! Thanks for your patience while we work hard to put this together.
