

2020 Fall Recreational Player Refund

In order to process your player's refund quickly and efficiently, please read the following information carefully. Please note that we are working within a new registration platform and may take a little more to process your request.

Due to system safeguards the following options are available to you:

1. All monies returned to you via a digital Visa.
2. Apply monies to future TSC registrations.
3. TSC check refund.
4. Donate a portion of your refund to our scholarship fund.

Please note: Stack Sports charges a nonrefundable \$2 service fee that Tracyton Soccer Club does not receive.

The person who registered and paid for the player(s) must reply to me via email (Registrar@TracytonSoccer.com) by August 20, 2020 with the following information:

- A. Player(s) name
- B. Player(s) date of birth
- C. Current mailing address
- D. Email address
- E. Refund option

If a reply is not received by TSC by August 20, 2020, Option #1: All monies will be returned to you via a digital Visa. Refund processing will begin the week of August 24th.

Thank you for your patience and understanding.

If you have any question please do not hesitate in contacting me,

Susie McGill, TSC Administrator/Registrar
