

## Rage Softball Players Sponsorship

Rage Softball is a nonprofit organization that currently has several teams ranging in age from 11 to 18. We are made up student/athletes that play softball in the Junior Olympic League throughout the East Coast and our focus is on player development.

Playing Junior Olympic Softball is the ultimate in softball competition for girls looking to take their softball skills to higher levels.

Rage Softball organization draws players from a wide area including, Massachusetts, and New Hampshire.

Our winter workouts are held at 1v1 Sports Training in Salisbury, Ma. These workouts enable our athletes to perform at a high level each and every game during our tournament season. With this cost we need supporters like you to help our organization and players to continue to create strong, talented, respectful student athletes and future community leaders. Sponsorships and donations help us to support our players in their development and enable them to compete in tournaments showcasing the best talent in New England.

Your sponsorship will go to 100% towards our player tuition, thus helping players who may not have had the opportunity to play softball at this level. Your business name will also be listed on our sponsorship page.
