Fall 2020 Refund Policy

Due to the ongoing concern of COVID-19, we have amended our refund policy for our fall programs.

If we are forced to shut down Fall 2020 operations due to a government mandate (city, county, or state), we will refund fall registration fees on a prorated basis.

Otherwise, you may request a 50% refund for any reason until the Fall 2020 rosters are set. After that, no refunds will be given.
