LEVEL OF COMMITMENT EXPECTED BY NYSL TEAMS

Any team looking to participate in Nebraska Youth Soccer League must understand the level of commitment it takes to participate in a League that stretches across the state. All teams understand that this is a travel league and that teams may occasionally travel to participate in NYSL games. The determination of game sites is based in part due to home locations of teams within a division as well as field and referee availability.

PRIMARY AND SECONDARY DAYS OF PLAY

We will schedule teams on their primary and secondary days of play. Teams need to be prepared to play on the

advertised primary and secondary days of play. **Teams that may have over 90-minutes of travel involved may schedule games on the opposite weekend day than advertised for that age.** This should be kept to a minimum due to lack of fields/referees.

BLACKOUT DATES/CONFLICTS/COACHING CONFLICTS

Teams will be responsible to submit blackout dates by the advertised deadline. Teams will not be allowed to blackout more than 4 weekend days of play. Although, we try to play as many games as possible on the primary day of play (weekend), teams need to be prepared to play on the secondary day of play (weekday) due to lack of fields and referees. Days of play are shown above. Teams could be asked to play on a non-advertised day of play due to blackout dates, field availability and scheduling requirements.

All conflicts, coaching or types other than blackout dates, need to be emailed directly to dpoule@nysleague.org. Submit anything that will affect scheduling your team.

As far as Coaching Conflicts, we will allow conflicts for up to two teams on any day. If coaching more than two teams, you must use blackout dates to make sure you do not have conflicts. Example given, two teams play on Saturday and the other team(s) on Sunday. We cannot honor conflicts with teams in another league.
