

No registrations or refunds will be processed after 6/1/15.

All of our refunds are currently disbursed by a manual check. Please be patient with us. It may take us some time to get the check sent to you.

There is a \$200 family maximum. Please let us know if you need a coupon code; you can reach us at cbslstatguy@gmail.com

This year there is a minimum \$5 transaction fee as part of our registration fees. If a refund is issued for some reason, we will withhold that \$5 for electronic payment processing. The cost per league is still \$100 for all Boys and Girls rec leagues; TBall is still \$50.
