- Goal keepers must have a different color uniform top than the rest of the team.
- U10 and younger will not be allowed to head the ball.

Duration of games:

- Games are 30 minutes, running time (no injury time added). There is no half time.

Tournament game/foul rules:

- FIFA rules will be enforced unless stated differently.
- Offside will not be called.
- All fouls committed outside the goalkeeper area (penalty area) will result in a direct free kick at the spot of the foul, defenders may form a wall. All fouls committed inside the goalkeeper area (penalty area) will result in a direct free kick placed outside of the goalkeepers area, defenders are allowed to form a wall (this is not a penalty kick).
- All players must be 10 feet from any free kick.
- **All players must wear shin guards.**
- **No cleats will be allowed on the turf!** Only Turf shoes, indoor shoes, or tennis shoes.
- No jewelry may be worn.
- Slide tackling will not be allowed. An intentional slide will result in a yellow card, and a direct free kick (if a knee contacts the turf). A goalkeeper is allowed to play in the same manner as he/she is outside (allowed to slide with the intent to save a goal, protect his/her own body, not in the intent to cause harm to others).
- Red card: Player receiving the red card must leave the field and will not be permitted back into the game. The team will play the rest of the game down a player. The tournament director (Matt Leach) or another Fire FC officiate (Shaun Howe) will determine the severity of the red card offense and judge further suspension, if any, based on the reasoning of the red card. The player receiving the red card will not be allowed to play in another game at Fire FC Field House until they have met with Matt Leach or Shaun Howe.
- Yellow card: Player receiving the yellow card must leave the field of play for 2 minutes, the team will have to play a player down until the 2 minutes is over (2 minutes will not start until the player has left the field. If the other team scores a goal, than the player may return to the field. If more than one player is sitting out, the team may return only

one player back into the game per goal scored. The coach of the player sitting out will time the 2-minute period.

- Substitutions will be made on the fly. All players may enter and leave from in front of their bench on the touch line (side line). If there are too many players on the field, the referee will whistle the game to a stop until the correct number of players are on the field. If this becomes an issue throughout the game a yellow card will be administered.

Goalkeeper:

- FIFA Laws applies on pass back to goalkeeper. If there is a pass back to the keeper, the ball will be placed outside of the area, resulting in an indirect free kick.
- When a goalkeeper legally handles the ball, they may release it either by a throw within 6 seconds of gaining control. The keeper may drop the ball to themselves (making the ball live). If the keeper does hold the ball in their hands for over 6 seconds then the opponents will receive an indirect free kick outside of the goalkeepers area.
- Goalkeeper throws must hit the turf on their own half before crossing the halfway line or touch another player from either team. Infringement will result in an indirect free kick to the other team at half line.

Ball out of play:

- Any ball that leaves field of play will result in an indirect free kick in except for corner kicks (corner kicks are direct). If the ball leaves the field of play across the touchline, it will result in a kick-in from where the ball leaves the field. If the ball leaves the field of play across the goal line, it will result in a corner kick, or a goal clearance (the ball can start in the hands of the goalkeeper, if the goalkeeper put the ball on the ground then the play is live).
- If the ball hits the ceiling, an indirect free kick will be awarded to the opposing team at the point of where the ball had hit the ceiling.
- All kicks must be taken within 6 seconds of the referee's whistle on kick-offs, after an injury, caution/send-off, or unusual stoppages.
