

## The WYS Player and Coaches Membership Pass

What is a membership pass/player card? The WYS membership pass, formally known as the player card, denotes that you are a member of the largest youth sporting organization in the United States and a member of "The World Game." The "Pass" entitles you to participate in sanctioned WYS and US Youth Soccer Leagues, State Cups and Summer Tournaments.

As an adult team staff member, the "Pass" indicates that you have passed the WYS Risk Management Acceptance Program. The "Pass" will provide proof that all of your players are properly registered and are age appropriate. You may obtain a membership pass from your association registrar.

**To be valid, a membership pass/player card must have a current photo of the player, be signed by the player and be laminated.** Membership pass/player cards are valid for the entire seasonal year from September 1, 2008 to August 31, 2009 and will be used for participation in league play, state cup and summer tournaments.

### How to Prepare your Membership Passes

1. Verify that all information on the front of the pass is correct *Legal names must be used*
2. Paste 1" x 1" current, identifiable picture of individual named on the pass to the backside where it says "Attach Photo Here"
3. Sign your name on the backside of card where it says "Member sign here " This must be the individual whose name appears on the pass. No one may sign for them.
4. Laminate card- **\*REQUIRED\***
5. Attach all the passes, both coaches and players, on an "O" ring so they can be kept together and handled easily by the referee.

The diagram illustrates the layout of a membership pass, divided into front and back sections. The front section includes fields for personal and team information, while the back section contains a code of conduct, contact information, and a signature line. Red circles and arrows highlight key areas for attention.
