To make a difference! Specifically, to continue to build off the foundation of the past few years via enhancing our programs, providing support to member leagues and clubs, and creating an overall improved experience for our members. We have made tremendous progress in the overall member experience; I'd like to continue to help grow and improve what we have started.

- Volunteer Coach – 25 yrs+

C) What is your vision for soccer in New Jersey during the next three years?

To create the best soccer experience for the youth soccer players of New Jersey. Create more opportunities for players looking to play at the recreational level, enhance the travel experience so that all levels of play can participate in meaningful competitions, grow opportunities of the most dedicated players via ODP and the National Leagues.

D) What is your perception of New Jersey Youth Soccer?

Extremely Positive. Provides valuable guidance and direction of the soccer environment. Advocate for the players and coaches. Organizes meaningful events and programs (i.e. State Cup, ODP, Top Soccer). Manages necessary administration (carding) and risk management (insurance) in a very effective way.
