

NJ Youth SoccerBoard of Directors – **Questions for the Candidate**
Annual General Meeting

Candidate: _NJYS Registrar-Ken Schinkel

League or Club - MNJYSA & NJYS

A) Why do you wish to become a member of the NJYS Board of Directors?

I wish to continue my service as New Jersey Youth Soccer Registrar

B) What is your relevant experience (e.g., experience with youth soccer; non-profit; other Board positions held)?

My youth soccer experience started in 1988 as a coach and has continued through the years as Club Travel Director, MNJYSA Regional Vice President, MNJYSA President, NJYS District Commissioner, numerous state committees, Region I ODP Tournament Director for 2 years and presently NJYS Registrar.

C) What is your vision for soccer in New Jersey during the next 3 years?

NJ Youth Soccer has started to reach out to the margins and should continue to bring that experience to those youth players and communities. Programs should be strengthened and expanded.

D) What is your perception of New Jersey Youth Soccer?

NJYS has a strong foundation that will allow it to grow. It is on track to succeed with a strong presence in the communities to help expand the sport. My belief is that continuing as Registrar I can help move forward in any direction that NJYS chooses.
