Documentation satisfying this standard includes but is not limited to government-issued documentation or documentation prepared by a health care provider, counselor or other qualified professional not related to the player.

1.4 Inclusion Policy

Registration is open to all youth soccer players without discrimination based on race, color, religion, age, sex, sexual orientation, gender identity, gender expression or national origin.

2. LEAGUE RULES

2.1 Insurance.

Member Leagues and Clubs are provided Directors & Officers insurance as well as Liability insurance. Registered players and coaches are provided excess medical insurance coverage. See the NJYS website for details.

All member travel Leagues must maintain at least a structured group of four (4) or more unrelated teams, joined for the purpose of inter-team play organized under a common set of administrative and competition rules.

2.3 Rule Making.

Each member travel League has the right to elect its own officers and determine its own administrative and competition rules, to the extent they are not in conflict with the NJYS Playing Policies and the Player Development Initiatives (PDIs), as adopted by NJYS.

3. TRAVEL TEAM RULES

3.1 Carding and Registration.

- a. Each travel team will be able to set up a player roster and print the appropriate number of US Youth Soccer player and coach passes upon completion of the required registration process. Timely payment of registration fees is also expected.
- b. NJYS has requirements and limitations on the size of the game day roster. See NJYS PDIs for details.
- c. All additions or subtractions from the Player Roster are to be made through the required registration process.
- d. All teams must be properly carded through NJYS, as well as registered with the relevant league, before they are eligible to play in any league sanctioned games.

3.2 Guidelines for “Playing Up”

See US Soccer PDIs for guidelines and philosophies.

3.3 Transfers.

The Transfer rules (process) are determined by NJYS. See the NJYS website for details.

3.4 Club Passing.

NJYS permits club passing. Club passes are used to play on another team within the same club if proper age restrictions are met. Member leagues determine specific rules of their competition.

3.5 Disbanding Teams.

- a. Teams that are properly registered and rostered to play in accordance with NJYS guidelines may elect to disband during the seasonal year.
- b. The team must surrender all player/coach passes and roster to NJYS and submit the disbanded team application online.
- c. Registration fees paid to NJYS will NOT be refunded to teams that elect to disband.
- d. After a team is formally disbanded by NJYS, the players on that team are declared eligible to transfer to another team in accordance with any relevant league and NJYS rules.

3.6 Hardship Teams.

Policies on hardship teams are determined by the competition authority (e.g. NJYS League).

4. COACH RULES

4.1 Passes.

- a. Each travel coach and trainer must hold and present to the referee a valid approved NJYS Coach pass prior to participating in any league scheduled game. Coaches and trainers without a pass or who present a pass with missing, damaged or altered photographs are ineligible to participate in a game and may be subject to sanctions. Note: A Coach may hold multiple Coaches Passes, for example one per team for which he/she is rostered.

b. Coach passes from other organizations, such as US Club Soccer, are not authorized substitutes for valid approved NJYS Coach passes.

4.3 FIFA.

FIFA Laws of the Game which apply to players shall also apply to coaches and club officials.

4.4 Poaching.

All coaches are prohibited from poaching players from another team. Poaching is defined as actively encouraging a player to leave his/her current team to join your team through your own actions, or those of players, parents or officials associated with your team. Poaching restrictions only apply during the seasonal year. Complaints regarding allegations of poaching should be reported to NJYS.

5. PLAYER RULES

5.1 Uniforms.

a. See the FIFA Laws of the Game and details from your competition authority (e.g. NJYS League) for details on uniform requirements. NJYS strongly recommends:

1. all players uniforms have numbers.
2. all team players are outfitted with matching uniform tops. Individual players are permitted to wear long sleeve shirts or jerseys under a short sleeve jersey so long as shirts are of the same solid color or match the sleeve color.
3. goalkeeper's jersey is distinctly different in color from all field players on both teams and the referees.
4. player names do NOT appear on the jersey.
5. all team players are outfitted with matching shorts. Individual players may wear clothing under their uniform shorts that may exceed the hemline of the shorts if they are hemmed and the same solid color as the shorts. All undergarments worn are of the same color throughout the team and should be tucked into the socks. Specifically designed goalie pants are allowed, and billed hats may be permitted at the referee's discretion.

b. A referee has the authority to require a player to remove any article of clothing he/she deems to be dangerous to that player or to other players on the field.

5.3 Secondary Carding.

Players in NJYS may only have one Travel Member Pass (i.e. primary card). NJYS also permits secondary permissions for 9U through 19U players. Note that this is not permitted for 8U and younger. Policies for secondary permissions are determined at the League level. See your NJYS Member League for details.

5.4 Player Add, Transfer or Release.

- a. All players seeking to be added or transferred to a team must follow and complete NJYS online instructions. Carded players for that seasonal year must first be released by their current team by completing and following the instructions on the NJYS website. Once a player is rostered to a team, he/she is bound to that team for the entire seasonal year unless he/she is released or transferred.
- b. Players transferring from one team to another team within the same club (i.e. club pass) during the seasonal year are not required to sit out prior to being eligible to play for the new team

6. GAME RULES

6.1 FIFA.

The Official Fédération Internationale de Football Associations (FIFA) Laws of the Game, the soccer rulebook authorized annually by the IFAB - International Football Association Board who maintains and annually updates soccer’s rules and regulations, contains seventeen rules or "Laws" in soccer. Most of the rules get modified for youth soccer but can vary from league to league.

6.2 US Soccer Player Development Initiatives (PDIs)

The US Soccer Player Development Initiatives (PDIs) provide all stakeholders in the soccer arena a consistent approach, standards and recommendations regarding player development and best practices (philosophies) for players 12 years of age and younger. The focus of the document is to improve the development of the individual versus the success of a team. The document also provides parents with a resource so they can also have a better understanding of exactly what they should expect from a soccer program for their children. For players 13 years and older, refer to your competition authority (i.e. NJYS League) for details on game rules.

6.3 Game Scheduling.

- a. The day and time of games will be as specified by the relevant league.

b. NJYS State Cups games have priority over all other games. State Cups games should be scheduled for dates/times that minimize their impact on league schedules.

6.4 Game Day.

a. The Home Team is responsible for:

- (1) If only one referee, up to two (2) volunteers to assist the referee on the sidelines if requested
- (2) Goal nets (secured), corner flags and properly anchored goal posts

- (6) Any additional league requirements.

b. Coaches are responsible for their parents on the side lines. Coaches may be penalized/carded for not controlling their sidelines.

h. Both teams (players and all coaches) will occupy the same side of the field. All spectators will be on the opposite side of the field from the teams.

6.5 Heading.

Deliberate heading of the ball is not permitted in games or practices for U11 and younger.

NJYS has adopted the following policy on heading: All Players age 10 and younger shall not head the ball directly from the air in any match or competition, nor shall these players practice heading the ball in any organized team setting. If a player age 10 or younger deliberately heads the ball in a match, the referee shall award an indirect free kick to the opposing team at the spot of the infraction. If the heading occurs within the penalty area, the referee shall move the ball outside the penalty area and award an indirect free kick to the opposing team. Players age 9 and age 10 playing on a U11 team shall not head the ball in practice or competitions. Players age 11 and age 12 shall be permitted to head the ball in any match or competition. These players may practice heading the ball in an organized team practice or skill session, but coaches shall monitor this practice so that no single player heads the ball more than 25 times per week, regardless of setting. Players age 13 and older shall be permitted to head the ball in any match or competition and these players may practice heading the ball in an organized team practice or skill.
