2021 NJ Youth Soccer Presidents Cup Rules

I. INTRODUCTION

The NJ Youth Soccer Presidents Cup competition is for second-tier teams and is part of the US Youth Soccer Presidents Cup. The tournament begins at the State level, and depending on the age group, champions advance to the Regional level and then the National level. The competition is for both boys and girls NJYS teams at the 11U through the 18U/19U age groups. 12U and above champions advance to the Regional competition only. 13U and above Regional winners advance to the National competition.

Per US Youth Soccer and its application to the NJYS Presidents Cup, "The oldest admissible age group FOR THE 2020-21 SEASONAL YEAR ONLY will be 18U/19U. Eligible players' must be born on or after January 1, 2002. This one-year change is in place to allow players to participate in one additional year of eligibility due to the missed programming as a result of the COVID-19 pandemic."

II. STRUCTURE

- a. The NJYS Presidents Cup features a World Cup tournament format (e.g. group play that precedes a single game knockout for the quarterfinals, semifinals and finals). It is open to boys and girls travel teams at the following age groups 11U and 12U (9v9), 13U to 18U/19U (11v11) age groups. 10U or younger teams are not permitted to play up in the competition.
- b. With the exception of the finals, games will be played at home sites with NJYS determining the home team designations. The home team will be responsible for securing the field and securing the referees through an approved NJYS assignor.
- c. For the semifinals, the higher seeded team will be designated the home team. The home team will be responsible for securing the home field and securing the referees through an approved NJYS assignor.
- d. Players/teams entering the NJYS President Cup are ineligible to enter the NJYS National Championship Series or NJYS Challenge Cup at any level.
- e. NJYS conducts random flighting to determine matchups. Only the previous year's quarterfinalists are seeded and placed into groups (or brackets) as far away from each other as possible.

III. COMPETITION FORMAT

- a. Provided there are sufficient number of teams registered in each age group and gender, teams will be placed into groups to play group stage games. If there are not a sufficient number of teams registered in a particular age group and gender, NJYS will bracket that tournament as single elimination.
- b. There is no overtime in group stage games. Group stage games tied at the end of regulation will be final.
- c. At the conclusion of the group stage matches, the group winners (and wild cards if needed) will compete in the single-elimination bracket play (e.g. quarterfinals, semifinals, finals).
- d. Wildcard selection (if needed)
 - a. Once group play winners are determined, wildcard teams may also advance to bracket play; the number of wildcard teams is dependent on the number of teams in that tournament.
 - b. Team or teams that earn the most points from the group stage (minus the division winners) will advance to single-elimination bracket play.
 - c. If potential wildcard teams are tied in points, the Presidents Cup Tie Breaker will be used to which team will advance (*see VI. b*).
 - d. If a wildcard team is scheduled to play a team it already played in the group stage, NJ Youth Soccer reserves the right to adjust the schedule.

IV. GROUP STANDINGS AND DETERMINATION OF WINNERS

- a. Group Stage points
 - i. Three (3) points for a win (including forfeits)
 - ii. One (1) point for a tie
 - iii. Zero (0) points for loss
- b. Tiebreakers: In the event teams are tied on points earned in group stage games, the following criteria will be used to determine the group's placement. If three (3) or more are tied, skip to the second tiebreaker (goal differential):
 1. Winner of head to head competition
 2. Goal differential from group stage matches; max differential of six (6) goals per match
 3. Fewest goals allowed from all group stage matches
 4. Most shutouts from all group stage games
 5. Least red cards
 6. Least yellow cards
 7. Coin flip between the tied teams

V. ADVANCEMENT

- a. Any team wishing to participate in the USYS Presidents Cup or the USYS Eastern Presidents Cup should enter this tournament. The NJYS Presidents Cup determines the teams representing NJYS in the 12U through 18U/19U age groups at the USYS Eastern Presidents Cup. If applicable, regional champions (only in the 13U through

2021 NJ Youth Soccer Presidents Cup Rules

18U/19U age groups) then advance to the USYS Presidents Cup National Championships.

- b. Eligibility for the USYS Eastern Presidents Cup is according to placement in the NJYS Presidents Cup. By registering for the NJYS President Cup, teams agree to represent NJYS in the regional competition should they qualify. USYS can fine NJYS \$1,500 per team for failing to provide a team for the tournament. A NJYS state champion that forfeits its place is subject to that fine.
- c. Teams advancing to the USYS East Region Presidents Cup competition will be assigned a hotel/housing contracted by the USYS East Region. Teams opting out of that assignment should expect to pay the fee designated by the USYS.
- d. The NJYS state champion has the first option to advance but should that team decline, the finalist would be given the option to participate. Therefore, teams participating in the NJYS Presidents Cup's semifinal games will be asked to reconfirm their commitment to attend 2021 Eastern Presidents Cup representing NJYS.
- e. Teams that do not win their state cup championship may still be called upon to attend the Eastern Presidents Cup as a finalist or wildcard entry (e.g., if the state champion is not available).
