

We are looking to raise money for our upcoming year and we need your help to make this an enjoyable and successful season. These Little League teams will challenge the kids athletically and mentally throughout the season. We will be playing 12 or more games this year with most of the games being played in the Adrian area.

We have numerous ways for you to sponsor a player or even an entire team! You can sponsor a T-Ball player for \$50. Baseball/Softball players can be sponsored for \$75. We are also looking to sell advertising spots on our jerseys that will travel with us to every game. A team sponsorship is \$400. The jerseys will have the businesses that choose to sponsor a team this year. You can also place your sponsorship on our website at clubs.bluesombrero.com/adrianlittleleague through the "DONATE" tab.

These are the three different levels of sponsorship:

Double A Sponsor: T-Ball Sponsor for \$50

Triple A Sponsor: Softball/Baseball Sponsor for \$75

Major League Sponsor: Team Sponsor for \$400 and up

This is great opportunity to support local youth while getting some great advertising in the Southern Michigan area. Your sponsorship may also be tax deductible. If you have any question or concerns, please contact adrianarealittleleague@gmail.com or 517-295-2949

Business Name for Team Sponsor: _____
