

Annual Partial Scholarship Request Form

Partial scholarships are available to families who need financial assistance. To qualify for a partial scholarship, the family requesting the scholarship must be approved for the reduced/free lunch program through the child's school district they attend. Only partial scholarships are available as the league no longer provides full scholarships. The registration fee for players granted a partial scholarship is \$40 per child.

Complete and return this form and (1) a copy of the reduced lunch program authorization issued by your school district OR (2) your family food stamp recipient form OR (3) a DSHS foster child verification form to league president at president@blslittleleague.org.

*****Families applying for scholarships acknowledge that the league is run solely by volunteers and there is an expectation that parents of scholarship recipients will give back to Bonney Lake Sumner Little League in any way they can, whether by providing assistance to their child's team, volunteering, or serving on the Board.**

By signing below, parents/guardians certify that none of the above listed children are or will be playing baseball or softball through another organization during the current Spring season the scholarship is being requested/granted. Our scholarships are solely for families whose financial hardships prevent the above listed children from playing baseball or softball through any

organization during the current season. Repayment of the scholarship will be requested if a BLSLL player is determined to be playing within two separate organizations in the same season. **IMPORTANT***** If a player on scholarship quits the team he/she is assigned to, no players from the player's immediate family will qualify for any scholarships the following year.

REASON FINANCIAL HARDSHIP IS REQUESTED:
