

Dear Friend of Post 6:

I am excited to tell you that I will be playing baseball with the Cheyenne American Legion Post 6 baseball program in the 2021 season and ask for your support. Post 6 Baseball makes it possible for Cheyenne and Laramie County youth who have a goal of playing baseball at the highest level possible to achieve those goals. Post 6 players have gone on to play college baseball all over the United States, and one of the program's alumni, Brandon Nimmo, was drafted in the 1st round of the 2011 MLB draft.

The success of Post 6 Baseball would be impossible without the generosity and support of the friends, family, and community for players like me. In addition to developing quality baseball players, Post 6 Baseball also prides itself on building young people into quality leaders of the future. Your support of my participation in the program means a great deal.

I am writing this letter to kindly ask if you would be willing to support my 2021 season with Post 6 Baseball. Even a small donation would contribute to the expenses arising from the opportunities to play at the very highest competitive levels in the Rocky Mountain region, including travel and lodging and tournament, field, and umpire costs. Cheyenne Post 6 Baseball is a non-profit organization, which allows your contribution to be tax deductible.

Friends and family of Post 6 who contribute over \$250 will be recognized in the Post 6 online program and will receive a Post 6 tournament pass. To make a contribution to my 2021 baseball season, please fill out, detach, and send the donation form below, either directly to me or to Post 6 baseball at PO Box 2815, Cheyenne, WY 82003. Please send any contributions before March 1, 2021.

I truly appreciate your support and hope to see you at the baseball field this summer. Thank you.
