SPONSORSHIP LETTER

Southwest Youth Athletics Association operates out of John F. Kennedy High School located in the Bear Valley neighborhood that serves hundreds of children from Pre-K through 8th grade. We provide organized sports for youth to promote leadership skills, build young men and women's self-confidence, self-esteem, teamwork, and a healthy lifestyle. Southwest Youth Athletics Association strives to provide the necessary skills for youth to growth and development.

We are requesting a donation representing your business to show your support for the Southwest Youth Athletics Association youth sports community. These funds will go towards the kid's registration fees, camp fees, uniforms, equipment, end of year banquet and other related fees.

If you would like to sponsor, please fill out the lower portion of this letter and return it with a check or cash to one of the addresses listed below. Any amount will greatly benefit our program. Our Tax ID number is the following: **82-5440049**.
