Coaches and Parents:

Please remember we have a variety of ages and/or skills in this league. Please match up your players appropriately. Also keep in mind that this is not only a recreational league but it is also a learning league, and each player should have the opportunity to play and learn each position. Teaching sportmanship to the players is everybody's job, lead by example please. If you find sportmanship to be a problem on your team please talk to the coach, or your club's rep.

Good luck and have fun season!!!
